

Calvin, Giordano & Associates Receives \$12 Million Contract for Groundbreaking I-595 PPP Express Lanes Project

FORT LAUDERDALE, Fla., Sept. 14 /PRNewswire/ --The team of Calvin, Giordano & Associates (CGA) and HNTB have been selected as the Concessionaire's Construction, Engineering and Inspection (CEI) consultant for the Florida Department of Transportation (FDOT) \$1.25 billion I-595 Express Lanes PPP (Public/Private Partnership) Project.

The CGA/HNTB Team will oversee the progress of the construction and monitor compliance with the contract documents for the project Concessionaire, I-595 Express LLC. CGA has signed a five-year \$12 million contract, with construction expected to begin this November.

The 10.5-mile project will extend from the I-75/Sawgrass Expressway interchange to the I-595/I-95 interchange. The improvement components will include:

- Tolled, reversible, ground-level express lanes within the current median of I-595
- Safety modifications to the I-595/Florida Turnpike interchange
- Continuous connection of SR 84 between Davie Road and SR 7/US 441
- Auxiliary lanes on I-595 along with combined ramps, cross-road bypasses and grade-separated entrance and exit ramps

"CGA is proud to be a partner in the construction of this extraordinary, high profile project that will enhance the transportation experience for South Florida's traveling public," said Dennis Giordano, president of CGA.

CGA has extensive experience providing construction, engineering and inspection services to FDOT including the recently completed \$33 million I-75/I-595 projects grouping. These projects included over 90 lane miles of milling and resurfacing, the installation of over 43,000 feet of guardrail, the construction of an 18-span, low-level bridge from westbound I-595 to northbound I-75 and the installation of 300 new high mast lighting assemblies throughout the interchange to improve nighttime visibility.

CGA is an innovative consulting firm that offers a comprehensive approach to engineering, land planning, government regulatory compliance and data technologies and development. CGA, which is based in Fort Lauderdale, employs approximately 200 people. For more information about CGA and its services, call 954-921-7781 or go to CGA's website at www.calvin-giordano.com.
