The City of Pembroke Pines is the second largest city in Broward County and at one point was the fastest growing in the nation. The City maintained a sizable building and zoning department to accommodate the robust activity. Unfortunately, as economic conditions slowed, resulting in major decreases in building activity, the City was forced to evaluate options to cut costs and provide building and zoning services. The City came to the conclusion of contracting with a private service provider. In June, 2009 the Pembroke Pines City Commissioners voted to approve a five-year contract with Calvin, Giordano & Associates to administrate the City's Building and Zoning services.
