Services Provided

Building Package with
Construction Staking and
Building Surveys

Alexan Plantation is an apartment complex consisting of 54 buildings, and 481 units located in Plantation, Florida. CGA is providing a standard building package which consists of the following:

- Building Layouts
- Formboard Surveys
- Foundation Surveys
- Legal Descriptions (Utility Easements)
- Final Surveys

In addition, CGA's Survey Department is providing dry Utility layout (FP&L and AT&T) along with writing the utility easements.
